

Updating Your Payment Information

1.) Log into your member dashboard by visiting:
www.mashupmath.com/member-dashboard

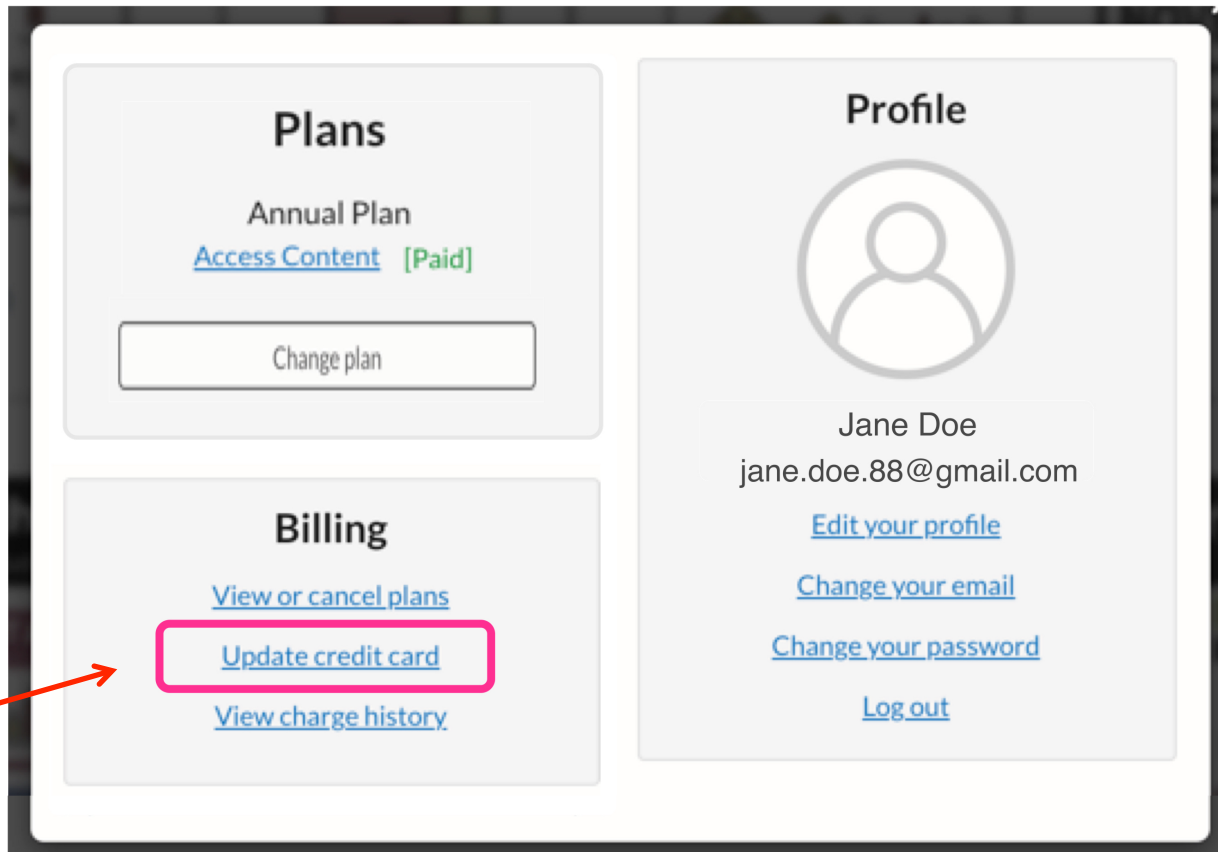

The screenshot shows the 'MY MEMBER DASHBOARD' for the week of September 27th, 2021. It features a 'Quote of the Week' by Bianca McKellar: 'Math is the only place where truth and beauty mean the same thing.' A 'Math Joke of the Week' asks 'What months have 28 days?' with a calendar grid showing all months have at least 28 days. A 'Featured Post' titled '4 Ways to Encourage Math Talks' includes a photo of two students and text stating that math discussions boost students' math skills. On the right, a 'K-8 Puzzle Libraries' sidebar lists resources like 'Order of Operations', 'Multiplication Tables', 'Area Models', 'Riddles & Brain Teasers', 'Which One Doesn't Belong?', 'Think, Notice, Wonder', 'Two Truths & One Lie!', 'Coloring Pages', and 'Math Joke Archive'.

2.) Once you are logged in, scroll down to the bottom of the page and click on the **Your Account** tab.

The screenshot shows the bottom of the website with two main sections: 'PDF Math Worksheets' (with 'Answer Keys Included') and 'Math Video Library' (with 'PDF Lesson Guides Included'). The worksheets are categorized into Elementary, Pre-Algebra, Algebra, and Geometry. The video library includes Elementary Math, Pre-Algebra, Fractions Focus, Algebra, Geometry, and Miscellaneous. At the bottom, a navigation bar contains links for 'Your Account', 'Privacy Policy and Copyright Info', 'Terms of Service', 'Google Classroom Tutorial', and 'Contact Us'. A red arrow points to the 'Your Account' link.

3.) After clicking **Your Account**, your account profile settings will appear.

From this window, click **update credit card** under the **Billing** section.

4.) Input your new payment information and click **Update Credit Card**.
